Account: I have forgotten my password to log into my website. How do I change it?

1. Go to homespunwebsites.com. Click on the padlock symbol in the top right hand corner of our home page. This will take you to the Web Builder Login Page.

2. Click on the "Forgot My Password" link

3. Type in the username or email address associated with your account.

4. Submit your Password Update Request

5. A temporary password will be emailed to you to the email account you have on file.

To change your Password once you are logged in to something you will remember [follow these instructions.](#)
