

: How do I add an RSS feed to my website?

1. In Edit your Website Mode, select Add a New Page Block
2. Select RSS Feed
3. Submit
4. Title your RSS Feed Page Block
5. Copy the RSS feed URL (i.e. http://www.theexternalsite/rss/rss_external.xml)
6. In the Web Editor, paste the RSS URL into the white HTML block
7. Select your Feed Limit (1 - 10 is preferred)
8. Save your changes
