Yearly Paying Clients

For those clients who pay yearly, you will be required to put a credit card or checking account on file which will be billed every year on the due date.

For instance, if you are set to renew your yearly hosting on February 1, 2024, our billing department will automatically charge the credit card you have on file. If you would no longer like to pay yearly, simply email us at billing@homespunwebsites.com, and we can get you set up on month to month payments.
