

# *Password Protected Pages: How do I create a secure groups in my password pages manager?*

1. Click on Page Access from your Dashboard
2. Select the Groups Tab
3. Name your Secure Group
4. Submit your Group to Save

The screenshot shows a web-based administration interface. At the top, there is a navigation bar with tabs: DASHBOARD, EDIT WEBSITE, NEWSLETTER, MY ACCOUNT, ADMIN TOOLS, and HELP. Below the navigation bar, a sub-navigation bar shows links: Home, Member List, Add Member, Groups (which is highlighted in green), Pages, and Help. The main content area is titled "Current Groups". On the left, there is a form titled "Add NewGroup" with a "Group Name:" label and a text input field containing "My New Group". To the right of the input field is a button labeled "Submit". Above the "Submit" button, there is a link labeled "Pages viewable by new group".
