

## *Password Protected Pages: How do I add a new secured member to a secured member group I have already created?*

1. Click on Page Access on your Dashboard to access your Page Access Manager
2. Select the Add Member Tab
3. Type in your secured members name, email address and secure member username and password
4. Select from the Group drop down, which group you want them added into
5. Submit your secure member to save

The screenshot shows a web application interface for adding a new member. At the top, there is a navigation bar with tabs: DASHBOARD, EDIT WEBSITE, NEWSLETTER, MY ACCOUNT, ADMIN TOOLS, and HELP. Below this, a status bar indicates 'Logged in as onlinewebbuildersupport.com'. The main content area has a sub-navigation bar with links: Home, Member List, Add Member (highlighted), Groups, Pages, and Help. The 'Add member' form contains the following fields:

- First Name:
- Last Name:
- Email Address:
- Login:
- Password:
- Group: A dropdown menu with 'Select' as the current selection. The dropdown list is open, showing options: 'Select', 'My New Group' (highlighted), and 'My Second Group'.
