

# Photos: How do I upload multiple photos at a time into my library?

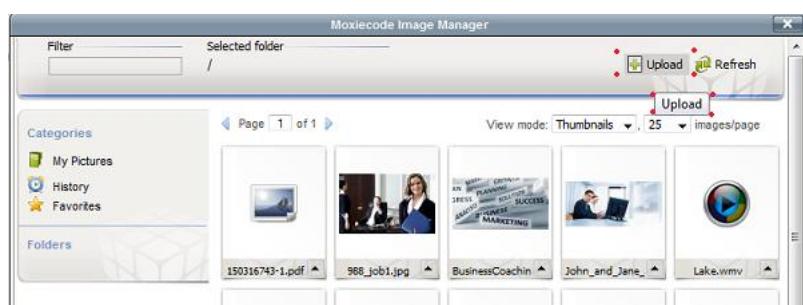

There is a special Image feature located within the builder that will allow you to upload several images at once.

Follow these instructions:

- 1) Add a New Page Block while in Edit Website Mode
- 2) Choose Paragraph
- 3) Once the Text Editor opens, click in the Add Image Icon in the tools

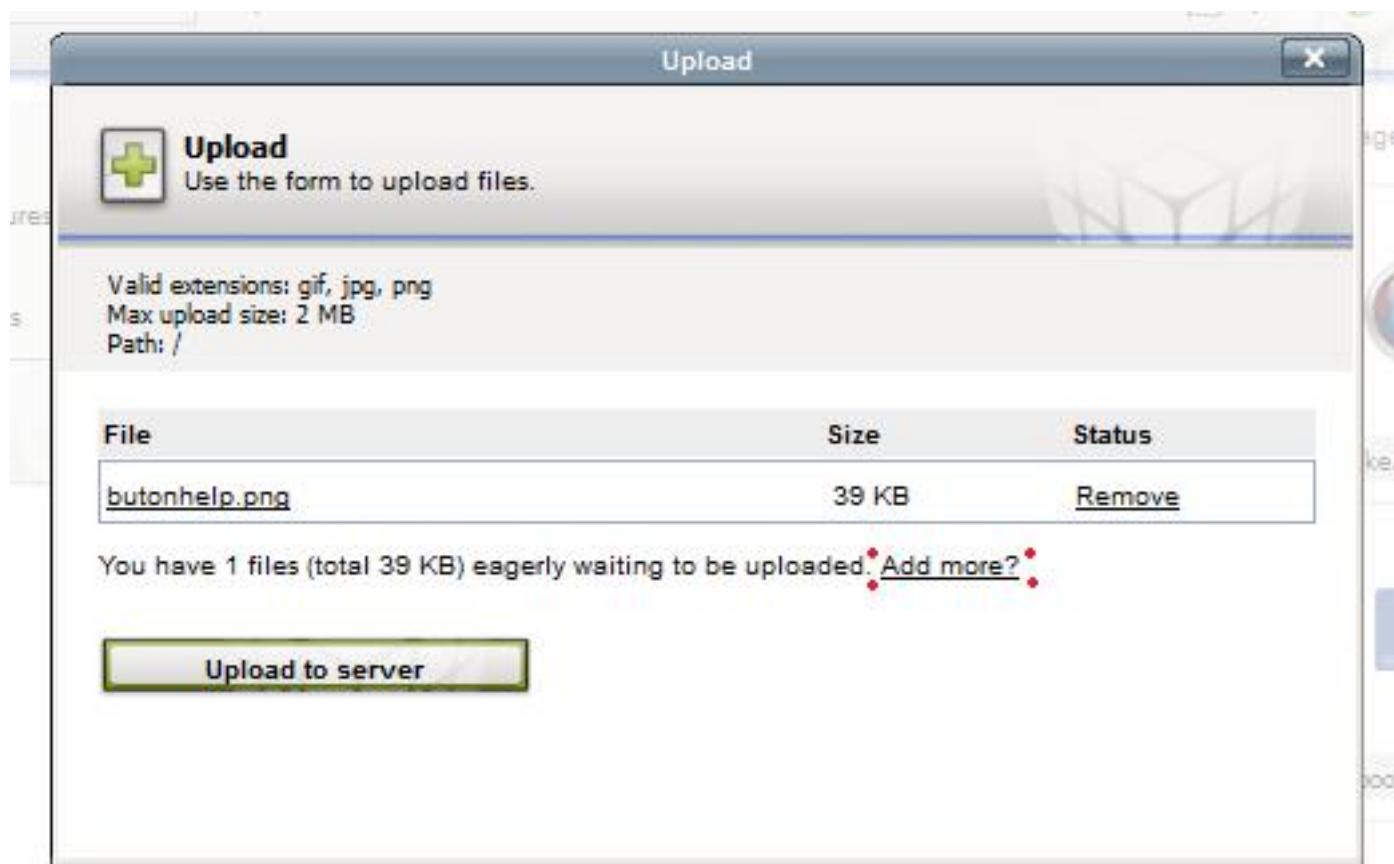

- 4) Upload and Image into your Library using the Moxie Code Image Manager

- 5) Upload your first image and then click the Add More link to attach multiple images

## Photos: How do I upload multiple photos at a time into my library?

- 6) Attach all of your images until completed.
- 7) Click Upload to Server
- 8) All of your images will be added to your library at once.
