

Photos: How do I create a link from a photo to a page in my website?

1. In Edit Website Mode, select Add New Page Block on the page you want to create a photo link on
2. Title your photo block
2. Select Photo/Slideshow and Submit
3. Browse to the appropriate folder on your computer and select the photo you wish to add. Upload.
4. Or-Choose from your picture library.
5. Select an internal web page from the drop down menu you want your picture to go
6. Add Picture
7. Save your changes
