

Side Banners: How do I add HTML or an Affiliate Code to my Side Banner?

- 1) Select Side Banner Library from your Edit Main Menu Tool Bar
- 2) Select Text/HTML Code Banner
- 3) Click Textbox (* Use "Textbox" for pasting HTML Code) This will be a blank white box that DOES NOT include the Text Editor Tools
- 4) Paste your HTML code in the Textbox

- 5) Choose your sort order that your new banner will appear in your website
- 6) Select your pages your HTML side banner will appear on
- 7) Submit your updates
- 8) Publish your Entire Website
