Videos (YouTube/Google Videos): How do I add a YouTube/Google video to my website?

1. Find the video you want on YouTube/Google
2. Click inside the "Embed" field and copy all text inside this field by pressing "CTRL"+ "C" Or use the Copy feature with your mouse
3. Back in your website editor, click the ";Add New Page Block” on the page where you want to add the video
4. Click the Video (YouTube, Google, Flash) button
5. Paste the text you copied from YouTube/Google into the text box of your Web Builder
6. Save your changes
