

Design and Custom Graphics: I would like to change the color of my paragraph text title. How can I do that?

We get asked this question a lot! Because of our many designs, we like to try to keep our style sheets as universal as possible. We can make custom color changes to your design upon request on a client by client basis. Simply **submit a support ticket** from your Web Builder Dashboard, or email us at info@homespunwebsites.com, and we will contact you directly to discuss your specifications.
