Domains: I do not have a logo and want to change my website title. How do I do this?

From your Web Builder Dashboard:

1. Click on "Site Settings" in the dark blue box at the top of the screen.

2. Click on "General Settings" in the Website Settings box.

3. Add your title in the Website Title box under your domain.

4. Save your changes.

4) Publish your ENTIRE website for your new title to appear.
