Account: How do I change my password?

1.On your Web Builder Dashboard select ";My Account" from the Main Menu

- 2. Select the "Security Info" Tab
- 3. In order to change your password you must first type in your old password that you currently use
- 4. Type in your new password. It must consist of one upper case letter and at least one number
- 5. Save your changes by clicking the "Save Changes" button on the bottom of the screen.
