

Flash Files: I would like a Flash created for my website. How do I get started?

Using Flash is a great way to tell the "story" of your website and services. With Flash, you can interact with your website visitors and display your services and products in a graphically pleasing way.

Take a look at some examples:

Simple Flash Simple flash contains only images \$100
[5 image maximum]

Simple Flash with Text story: \$199

Graphically Enhanced Flash with Text Story \$299
[Contains a maximum of 6 images]

Pro-Flash Design Starting at \$399

Please submit a support ticket to our design team and we will contact you directly.
