

Adding/Editing Content on your Website: How do I edit content on my website?

1. Click Edit Website on your Web Builder Dashboard
2. Hover over the page block containing the text you want to edit until the Edit/Add tool box appears
3. Click Add/Edit Text from the pop up box
4. Edit your text in the text editor
5. Submit your changes
6. Publish your page for your changes to appear on your live website
