

Newsletter Feature: I want to send out newsletters! How do I get started?

**Email Newsletters are a Great Marketing Tool
to Help you Keep in Touch with your Website Visitors
— and just like all of our Features— it's Easy!**

The newsletter feature of your website allows you to send out mass e-mailings to your subscriber's list.

- Create Templates to use over and over
- Add a Custom Subject Line/Greeting
- Easily change your background color, logos and headers to personalize your Newsletter
- Add images
- Newsletter Tracking Feature
- Visitors can subscribe right from your Website
- Links to your website are automatically embedded in the Newsletter footer to drive traffic back to your website
- Archive your Newsletters right on your website
- Great Way to advertize Specials, Events and drive traffic to your website!
