

# *Billing: When do I get billed for my Membership Fees?*

## **Month - to - Month Clients**

For those clients who sign up for your Do It Yourself Membership, your Membership fees will begin 30 days from the date of sign up.

For those clients who purchased a website package with us, your membership fees begin exactly 30 days from your site Go Live date.

## **Yearly Paying Clients**

**For those clients who pay yearly, you will be required to put a credit card or checking account on file which will be billed every year on the due date.**

For instance, if you are set to renew your yearly hosting on February 1, 2011, our billing department will automatically charge the credit card you have on file. If you would no longer like to pay yearly, simply email us and we can get you set up on month to month payments.
