Photos: How do I create a link to an external Web Page from a photo in my website?

1. In Edit Website Mode, select Add New Page Block on the page you would like your photo/link to appear
2. Title your photo block
3. Select Photo/Slideshow and Save
4. Browse to the appropriate folder on your computer, select the photo you wish to add, and Upload
Or-Choose from your picture library
5. Type or paste an external webpage next to **http://** ("www.yourexternalwebsite.com")
7. Add Picture
8. Save and publish your changes
