SimpleCart Shopping Feature: I am using Sage Payment Gateway for my Merchant Processing. How do I set it up my payment processing in the SimpleCart?

Sage Payment Solutions should supply you with an API Login and API Transaction Key that will be emailed directly too you from Sage.

Once you have received your API informational email, follow these steps:

1) Select Store Manager from your Web Builder Dashboard
2) Select the Payment Modules Tab
3) Type in your API LOGIN ID and API TRANSACTION KEY provided to you from Sage
4) Click Enable
5) Save your Payment Settings
6) Publish your Website
