SimpleCart Shopping Feature: How do I determine my state sales tax in my SimpleCart?

If you are unsure of your states sales tax rate, you can visit simply google "Current California Sales Tax Rate" to find your sales tax. We have also found this link for the [2011 current sales tax rates](#) but cannot guarentee the accuracy of this website. It is always best to consult your States official Government website to ensure accuraccy.

Once you have determined your States Sales Tax Rate follow these instructions to implement them into your SimpleCart:

1) Click on Store Manager from your Web Builder Dashboard
2) Select the Store Settings tab
3) Type in the appropriate Sales Tax rate in the space provided
4) Select from the drop down menu your state
5) Save your settings
6) Publish your Website
